2      =====Python Conditional_Statements
3      =====
4      Conditional statements are also known as
5      decision-making statements
6
7      conditional statements(decision-making
8      statements)
9
10     1.if statements
11     2.if-else statements
12     3.elif statements
13     4.Nested if and if-else statements
14
15  1.if Statement:
16      syntax:
17          if (condition):
18              statements.....
19
20  2. if else statements:
21      syntax:
22          if (condition):
23              statements.....
24          else:
25              statements..
26
27  3. if elif else:
28      syntax:
29          if (condition):
30              Statements.....
31          elif (condition):
32              statements....
33          elif (conditions):
34              statements.....
35          else:
36              statements...
37
38  4.Nested if-else:
39      Syntax:
40          if (condition):
41              statements..
42          if (condition):
43              statements...
44          else:
45              statements...

```

```

42         else:
43             statements.....
44
